### Needful Things | Stephen King Wiki | Fandom

"Needful Things" is a typical mediocre Stephen King adaptation. The drawn out book itself isn't among King's best work. Needful Things has this in spades, and it's my favorite kind of King story. The town of Castle Rock has had its fair share of bad luck over the years (gruesome murders, rabid dogs and the like) but it's still a nice, pleasant small town. Maybe the people gossip too much, but it's a charming community.
