The Soong Dynasty, by Sterling Seagrave, is a detailed, engaging account about the family of the same name who played so critical a role in China in the first half of the 20th century. Indeed, this is as much a story about China's struggles to emerge from a century of foreign domination and establish itself as a viable modern state as it is a tale about one family or one dynasty.

Seagrave takes the same view, namely that Chiang was a gangster who got to the top at a time when China was in chaos. Chiang's hagiography, as touted by the Mandarins in Taiwan is an example of the amazing curative powers of propaganda. (That is why you should turn off CNN if you want to be able to think.)

What a story Sterling Seagrave tells! The corruption, criminality, horrors of life for the Chinese in the '30s is astonishing - little wonder that Communism took hold. The story of Charlie Soong and his dynasty is enthralling, the dependence on the criminal triads - the Red Gang that sponsored and controlled the opium, the brothels, the night clubs, the bars, the slot machines, the hit-men.
